Subject Re: Comments on Subpart W Draft Preamble and Rule

Hi Reid,

I've been swamped the last few weeks, but since you're still taking comments, I just read through the preamble and made some mark-ups. I have to say I apparently didn't understand (b)(5) - Deliberative

There were some other areas of clarification as well, (b)(5) - Deliberative

I found that confusing. Or maybe I was just reading too fast. Anyway, some comments for your consideration.

Subject: Comments on Subpart W Draft Preamble and Rule

Hello,

To those of you who have provided comments on the Subpart W draft preamble and rule, thank you. I would like to keep the action moving, so for those of you who have not submitted comments, if you could get them to me by the end of the week I would appreciate it. If you think you will need more time to submit, please let me know so that I can plan accordingly. As in the Option Selection process, I need about 3-4 weeks to schedule a FAR meeting and package, and prior to that a workgroup meeting to make certain that we are all in agreement that the action can proceed to FAR. As always, thank you for your continued participation, and please contact me with any questions or comments.

Reid
